

السعال المزمن

Chronic Cough

Tibb al-Nabawi Protocol · Authentic Hadith · Prophetic Remedies · Modern Clinical Evidence

Persistent cough lasting >8 weeks.

MEDICAL DISCLAIMER: This protocol is for educational purposes only. Consult a qualified physician before applying any remedy or undergoing Hijama therapy. Pregnant women, children, and patients with chronic conditions require specialist guidance. Hijama must be performed by a certified practitioner.

EXHAUSTIVE REVELATION · QUR'AN

فارجع البصر هل ترى من فطور * ثم ارجع البصر كرتين ينقلب إليك البصر خاسئاً وهو حسير
الذي خلق سبع سماوات طباقاً ما ترى في خلق الرحمن من تفاوت

"Who created seven heavens in layers. You do not see in the creation of the Most Merciful any inconsistency. So return [your] vision [to the sky]; do you see any breaks? Then return [your] vision twice again. [Your] vision will return to you humbled while it is fatigued."

Surah Al-Mulk · 67:3-4 — Classical commentators connected persistent physiological strain (like chronic cough's repetitive forceful expulsion) to the concept of **has** (exhaustion from repeated action), reflecting the body's pulmonary fatigue in prolonged respiratory disease.
