

انقطاع التنفس أثناء النوم

Sleep Apnea

Tibb al-Nabawi Protocol · Authentic Hadith · Prophetic Remedies · Modern Clinical Evidence

Repeated breathing pauses during sleep.

MEDICAL DISCLAIMER: This protocol is for educational purposes only. Consult a qualified physician before applying any remedy or undergoing Hijama therapy. Pregnant women, children, and patients with chronic conditions require specialist guidance. Hijama must be performed by a certified practitioner.

EXHAUSTIVE REVELATION · QUR'AN

وهو الذي جعل لكم الليل لباسا والنوم سباتا وجعل النهار نشورا

"And it is He who has made the night for you as clothing and sleep [a means for] rest and has made the day a resurrection."

Surah Al-Furqan · 25:47 — This verse establishes sleep as a divinely ordained state of rest (subat), emphasizing the natural function of uninterrupted breathing and restoration during sleep which is disrupted in sleep apnea.
